You're getting married - that's huge! Congratulations!

We've pulled together a list of our catering services to help you plan the perfect laid-back wedding. So, if silver service is far too formal, and if you just aren't excited by the idea of a buffet, we have the perfect solution! Why not throw a wedding picnic? It doesn't have to be outdoors; you can throw an amazing picnic style celebration anywhere!

## WEDDING FAVOURS

Tie your wedding theme together with one of our gorgeous rustic wedding favours.

### **Cake Jar: £2.50**

There is something seriously satisfying about spooning cake from a jar! These make wonderful wedding favours and look great too!

We bake our cakes freshly, using the best ingredients and our most favourite recipes, which we then layer between lashings of our seriously yummy icing.

There are plenty of flavours to choose from and each jar (190ml) is labelled with a personalised "thank you" sticker and decorated with raffia ribbon or twine to suit the colour scheme of your wedding.

### Flavours:

#### **Strawberry & Vanilla**

Light & fluffy vanilla sponge layered between strawberry jam and vanilla buttercream - a timeless classic!

#### **Chocolate**

A rich and moist chocolate cake layered between delicious chocolate buttercream and pieces of chocolate treats (e.g.: M&Ms, chocolate chips or chocolate buttons).

#### **Salted Caramel**

Seriously yummy caramel cake layered with caramel buttercream & salted caramel ganache.

#### **Carrot**

A truly scrumptious carrot cake made with sultanas, raisins, raisins, dates, and finely chopped walnuts layered in between a zesty cream cheese frosting.

**N.B. We can provide larger cake jars (300ml) with wooden spoons as a dessert option for your guests: £3.00**

### **Mini Picnic Basket & Home-made Triple Chocolate Brownie: £3.50**
